Research reports

Post-operative morbidity following paediatric tonsillectomy; a comparison of bipolar diathermy dissection and blunt dissection
F.B. MacGregor, D.M. Albert, A.K. Bhattacharyya (UK) 1

Therapeutic reintubation for post-intubation laryngotracheal injury in preterm infants
L.J. Hoeve, O. Eskici, C.D.A. Verwoerd (The Netherlands) 7

Pediatric rhabdomyosarcoma of the head and neck
J.A. Sercarz, R.J. Mark, S. Nasri, M.B. Wang, L.M. Tran (USA) 15

Microbiology of chronic suppurative otitis media in children in Surabaya, Indonesia
I. Brook, G. Santosa (USA, Indonesia) 23

Child preferences for post-tonsillectomy diet
P.C. Thomas, P. Moore, J.S. Reilly (USA) 29

Parotid and submandibular calculi in children
L. Bodner, D.M. Fliss (Israel) 35

The indication for tonsillectomy in children following peritonsillar abscess
M. Wolf, I. Even-Chen, Y.P. Talmi, J. Kronenberg (Israel) 43

Home application of EMLA cream prior to venipuncture. Is it feasible in pediatric ENT day care surgery?
A.B. Guttormsen, S.H.G. Nordahl, J. Olofsson (Norway) 47

Point prevalence of type B tympanogram in Riyadh
Y. El-Sayed, S. Zakzouk (Saudi Arabia) 53

Investigating the validity of the clinical linguistic auditory milestone scale
J.G. Clark, S.K. Jorgensen, R. Blondeau (USA) 63

Oral and laryngeal papilloma: a pediatric manifestation of sexually transmitted disease?
N.S. Yoshpe (USA) 77

Case reports

Fraser syndrome: a case report and review of the otolaryngologic manifestations
D.E. Karas, D.S. Respler (USA) 85

Cleft larynx: repair with a posterior cartilage graft
C.A.J. Prescott (South Africa) 91

An analysis of the results of myringoplasty in children
J.H. Black, S.A. Hickey, P.J. Wormald (South Africa) 95

The role of MRI when relapsing polychondritis is suspected but not proven
J.A. Fornadley, D.J. Seibert, B.E. Ostrov, W.S. Warren (USA) 101

Diagnosis and management of laryngeal obstruction in childhood pachyonychia congenita
S.A. Wudy, H. Lenders, W. Pirsig, W. Mohr, W.M. Teller (FRG) 109

Software review 117
List of Societies 119
Calendar of forthcoming events 123
Instructions to Authors 127

Research reports
Peritonsillar abscess in children. Is incision and drainage an effective management?
N.J. Apostolopoulos, T.P. Nikolopoulos, T.N. Bairamis (Greece) 129
Auditory brainstem responses in children with Cornelia de Lange syndrome
K. Kaga, F. Tamai, E. Kitazumi, K. Kodama (Japan) 137
Acute mastoiditis in pediatric age
G. Magliulo, G.M. Vingolo, R. Petti, R. Ronzoni, P. Cristofari (Italy) 147
Role of anaerobic bacteria in chronic otitis media and cholesteatoma
I. Brook (USA) 153
The Usher syndrome type 2A: clinical findings in obligate carriers
A. van Aarem, C.W.R.J. Cremers, A.J.L.G. Pinckers, P.L.M. Huygen, G.C.J.H. Hombergen, B.J. Kimberling (The Netherlands, USA) 159
Screening for neonatal and infant deafness in Europe in 1992
M. François, P. Bonfils, P. Narcy (France) 175
Development of aerodynamic aspects in children's voice
A. Keilmann, C.-A. Bader (Germany) 183
Word-initial voicing in the productions of stops in normal and preterm Italian infants
U. Bortolini, C. Zmarich, R. Fior, S. Bonifacio (Italy) 191
A prospective randomised trial of the use of sodium bicarbonate and hydrogen peroxide ear drops to clear a blocked tympanostomy tube
P.D.R. Spraggs, P.J. Robinson, R. Ryan, C.A. East, J.M. Graham (UK) 207
The effect of post-operative diet on recovery in the first twelve hours after tonsillectomy and adenoidectomy
M.D. Hall, L. Brodsky (USA) 215
Children who could benefit from a cochlear implant: a European estimate of projected numbers, cost and relevant characteristics
A. Davis, H. Fortnum, G. O'Donoghue (UK) 221

Case reports
Airway obstruction in the Crouzon syndrome: case report and review of the literature
J. Sirotnak, L. Brodsky, M. Pizzuto (USA) 235
Alternatives in the management of aneurysmal bone cysts of the mandible
B.J. Wiatrak, C.M. Myer III, T.M. Andrews (USA) 247
Recurrent respiratory papillomatosis in the larynx: re-emergence of clinical disease following surgery
M.L. Harries, S. Juman, C.M. Bailey (UK) 259
Congenital nasal pyriform aperture stenosis as a presenting feature of holoprosencephaly
Y. Hui, J. Friedberg, W.S. Crysdale (Canada) 263
